

Welcome to The Power of Adobe Acrobat!

This newsletter will show you how you can move beyond PDF creation, and learn about the powerful features [Adobe Acrobat](#) has to offer.

TIPS & TECHNIQUES

Use Acrobat to create text searchable PDFs of online receipts and eliminate the need to print them.

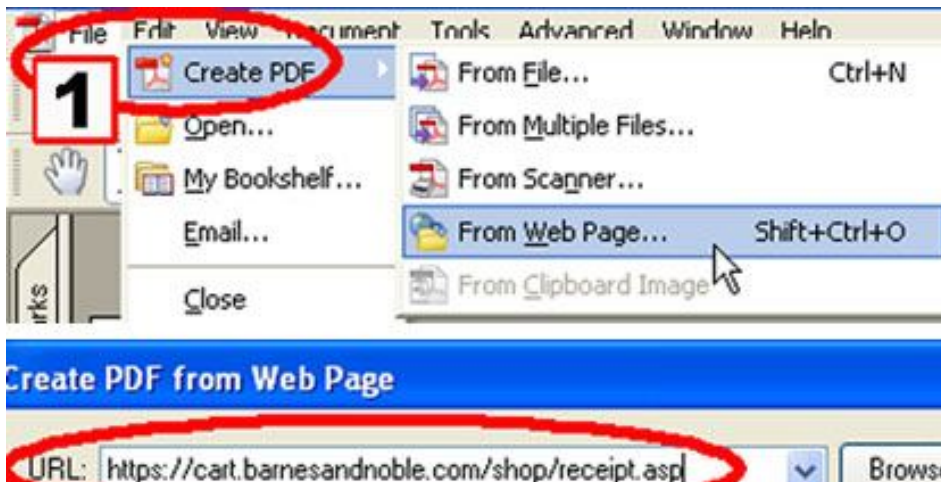

Provided by Clint Funk, Adobe Acrobat Product Consultant

Here's how:

Purchase a holiday gift online. Open Acrobat Standard or Acrobat Professional.

1. Go to File > Create PDF > **Click** From Web Page or **click** the Create PDF button and **select** From Web Page.
2. **Copy** the URL from your Browser into the Acrobat Dialog Box (Create PDF from Web Page). **Click** Create.
3. **Save** the PDF. You now have a PDF of your invoice that is text searchable with Acrobat or Reader.

If you are using Internet Explorer, another easy way to create a PDF from a Web Page is to **click** on the Convert PDF from Web Page button.
