Save Me! Server A Forms Router

www.bestnewspaper.com

Contact: Ken Fujimoto 415.778.0600

fuji@bestnewspaper.com

Benefits

- Eliminates frustrations with forms
- Fill and save forms with Reader
- Easy to use
- Forms distributable over email
- No per seat costs
- Supports workflow

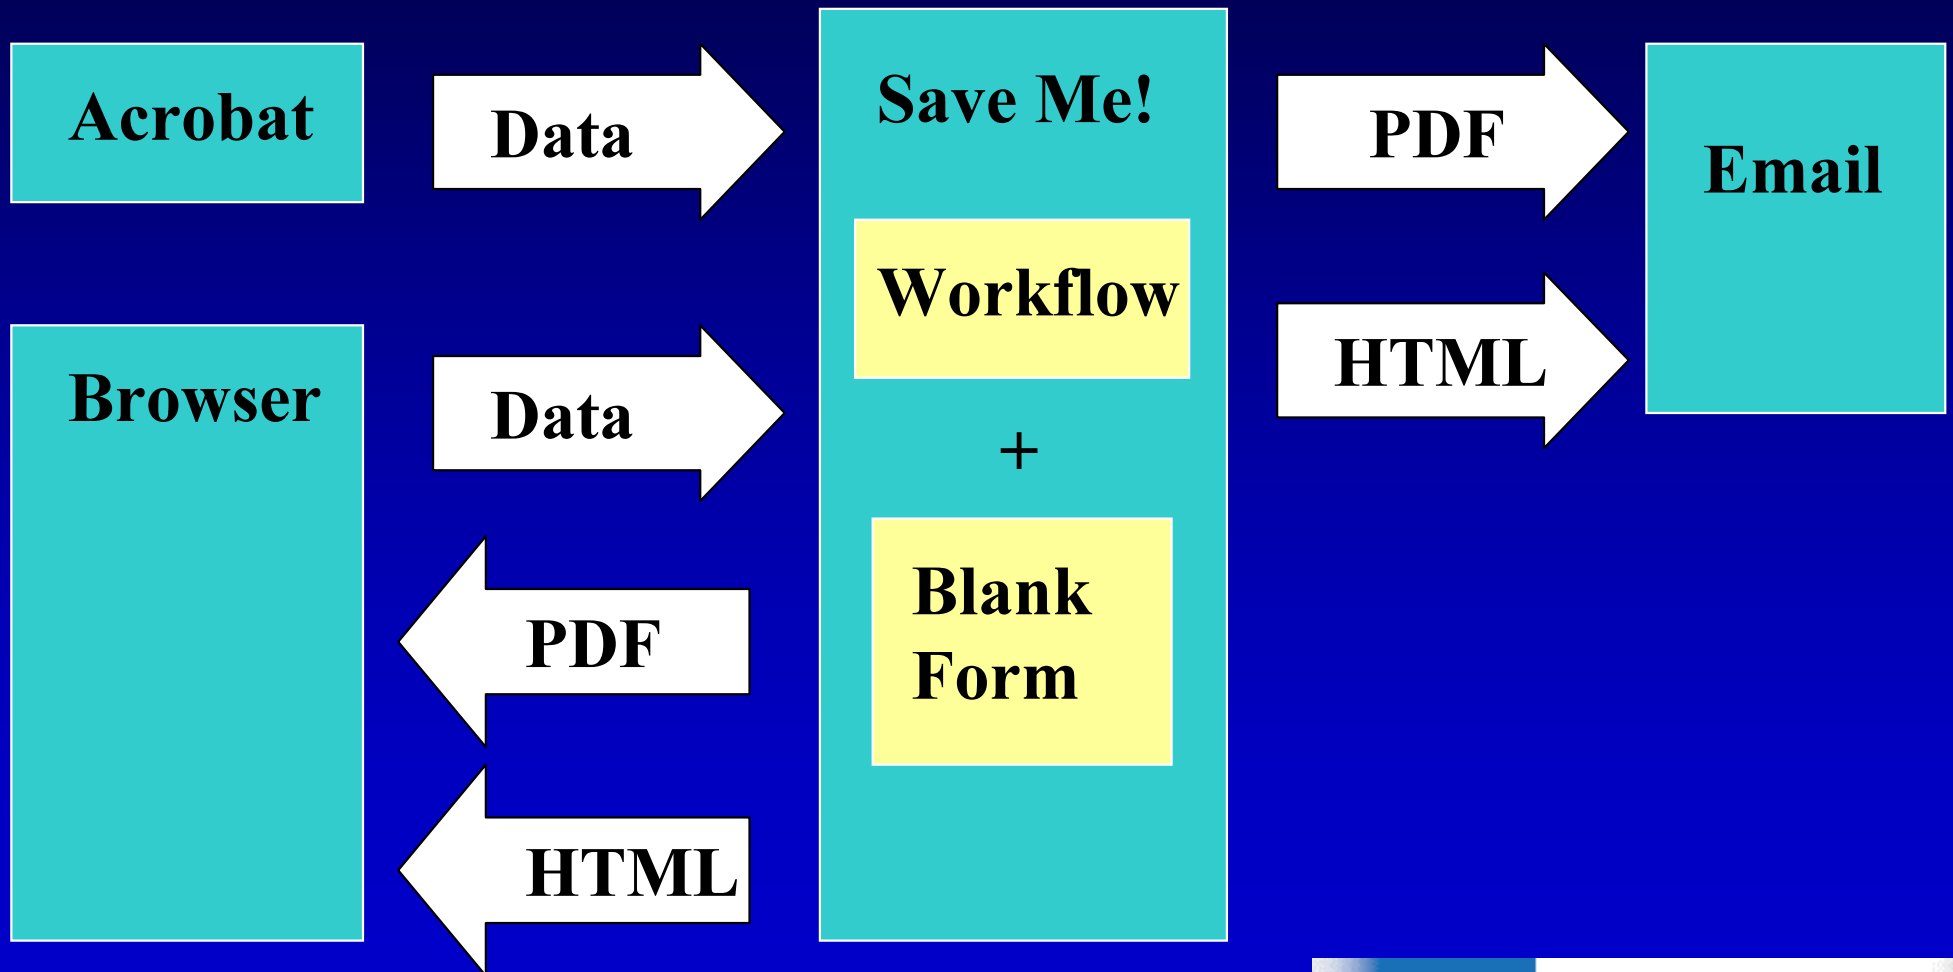

Email Integration

- #1 Application is email
- Easy to distribute files (address books, groups)
- Organizes and stores data

A Different Approach – Form Routing

- No user data stored on server
- Simplicity
- Like a copy machine
- Stores blank form and workflow
- Uses intelligent PDFs

How It works

Easy To Use

- One click to open form
- One click to send
- Email address preset
- No user password / account admin
- 1 File install (Java Application Server)
- 4 items (domain, mailhost)

Specifics

- Beta / Eval begins March 15th
- Introductory price \$995 per CPU
- Requires Java Application Server (Weblogic, IBM, Oracle, Apache Tomcat)
